FC Barcelona Escola Soccer Camp brings to Maryland a successful youth soccer camp at the Maryland Soccerplex this summer

WASHINGTON, D.C. [CapitalWirePR] July 15, 2014- The **FC Barcelona**, one of the most prestigious soccer clubs in the world is proud to announce the FCB Escola Soccer Camp Maryland this summer which will be held in the prestigious Maryland Soccerplex. After 6 years of success in Florida and Illinois the FCB will be bringing new training methodology to a limited 3600 players in Florida, Illinois, Maryland, and Georgia in different dates and locations in the US.

The **Official FCB Escola Camp** in Maryland will start camp in July 21st – 25th and a second week July 28th – August 1st of 2014. Day Camp Sessions are from Monday – Friday from 9am to 3pm and Evening Camps from 6pm to 8pm. Both boys and girls are welcome to camp. ‘With 6 years of success and developing over 7,000 players have trained with us in Florida and Illinois, Now it’s time to take the FCB Camps’ successful, exciting, and unmatched methodology and invest in the communities and players all across the USA’ Said Marcel Bombonato, FCB Camps Director.

Official coaches from the FCB Escola- the FC Barcelona Soccer School, will travel Maryland to conduct the training sessions. Participants will have the unique opportunity to train under the methodology of FC Barcelona coaches following

the club’s established youth training program that has produced outstanding players throughout its history as Messi, Puyol, Iniesta, Xavi, Cesc, Pique and Guardiola, among others.

The training program delivered at the FC Barcelona Escola Camp aims to prepare all participants to achieve their full potential. Coaches will work closely on all aspects of technical, tactical, physical, and psychological parts of the game. A special program will address the specific technical complexities for goal keepers. Coaching will be in English and spaces are limited.
