

2018 National Latino HIV/HCV Conference

Health 2018-04-24 15:49:58

New York City, NY - The 2018 National Latino HIV/HCV Conference is moving to San Antonio! In its third year interest and attendance has necessitated that organizers move the Latino specific conference from its original home of South Padre Island to cities with larger venues. Muchísimas gracias for your help in making this conference bigger and better every year. This years' conference will be held **May 18th - 20th, 2018** at the Omni Hotel San Antonio at the Colonnade, with free transportation to The Alamo, Riverwalk, and amazing restaurants just minutes from Downtown San Antonio. While the site of the National Latino HIV/HCV Conference necessitates the move from the Rio Grande Valley, it's mission and objectives remain the same. To prevent HIVHCV infections among Latino communities and ensure the highest quality of medical care and better retention rates for the largest minority group in the United States.
