**WASHINGTON, D.C.**– Today, The Hispanic Heritage Foundation (HHF) announced the recipients of the Washington, DC Regional Hispanic Heritage Youth Awards (see names below). Twenty-one local high school seniors will be honored for their leadership in the classroom and community during a ceremony at the Rayburn House Office Building, Rayburn Gold Room 2168, 45 Independence Ave SW, Washington, DC 20515. In commemoration of the 17th anniversary of the Youth Awards, the ceremony will spotlight past Youth Awardees with special guests in attendance. To follow the Youth Awards Ceremony online, use the hashtag #YA15.

The Youth Awardees will receive grants for their education, or to fund an idea or community project to encourage “actionable leadership,” which is HHF’s call to action. Recipients will then be mentored by past Youth Awardees as they prepare to attend college and into their careers through HHF’s award-winning Latinos On Fast Track (LOFT) workforce development program. The Youth Awards are taking place in 11 regions across the country with 231 Youth Awardees selected from thousands of applicants. The average GPA for the students is nearly a 4.0.

“We are thrilled to honor yet another class of outstanding young Latino leaders from Washington, DC who will certainly make an impact on our communities and workforce as they move forward in their careers,” said Antonio Tijerino, President and CEO, HHF. “We also applaud the vision of our sponsors as they share our focus in supporting what we consider priority fields for America. We believe these are the young leaders of today, not tomorrow and frankly, we can’t afford to wait. I will say that after 17 years of Youth Awards, there is no shortage of top, young, Latino talent.”

One of the 21 recipients will receive a special **Leadership** recognition by the United States Marines for their leadership in the classroom and community. As a United States Marine, you must be able to “lead by example” and “make sound and timely decisions”. The student chosen exemplifies those qualities by maintaining a 3.50 minimum GPA while balancing extracurricular activities and inspiring others.

The Hispanic Heritage Foundation (HHF) will also recognize a teacher with the **Hispanic Heritage Innovative Educator Award**, sponsored by the White House Initiative on Educational Excellence, for his or her achievements throughout their professional career.

After the regional ceremonies, the 231 Regional Youth Awards recipients will be narrowed to one National Youth Award recipient for each of the seven categories and celebrated at the National Youth Awards presentation along with celebrities who are recognized for being role models. National Awardees will also receive a laptop computer and all-expense-paid trip to the ceremony (location TBD).

Additional sponsors of the Youth Awards include Direct Auto Insurance, UPS, and Crowell & Moring LLP. National partners include: Macy’s, The Raben Group, Saber Es Poder, and NCURA. HHF also partners with thousands of high schools, colleges, community organizations, media outlets and business partners on the program.
