

DC's Ward 5 Bridging Schools & Immigrant Communities Mixer

Education 2018-07-04 19:43:06

Washington, DC - Claudia Barragan is inviting all of DC Latino Caucus members and civic activists to a community event I am hosting, centered on immigrant needs and language access. As a ward 5 immigrant resident and community advocate Barragan is joining forces with [Zachary Parker](#), an educator running for the District of Columbia Ward 5 seat in the State Board of Education, to open dialogues in the Ward 5 neighborhood.

Barragan and Parker are also looking to expand the conversation and actions by connecting with ward 5 education service providers and schools.
